LABORATORY ALLIANCE
of Central New York, LLC

www.laboratoryalliance.com

May 1, 2017

Dear Healthcare Professional,

The purpose of this letter is to remind you and your staff that our website www.laboratoryalliance.com is the place to go for up-to-the-minute information about services provided by our company.

In the past, we provided a hard copy of our Directory of Services to our clients every two years. The book became outdated almost as soon as you received it. Thus, our practice of providing you with a hard copy has ceased. You are encouraged to bookmark our website address and to utilize it regularly.

As a reminder, our directory contains:

- A general overview of Laboratory Alliance
- An introduction to our staff
- Our extensive test menu
- The requirements for specimen collection
- An expanded pictorial display of specimen collection containers
- Our patient service center locations, hours of operation and driving directions
- Results reporting options and much more

As we add tests, improve our processes and modify testing schedules and/or test methodologies, you will continue to be notified through Test Information Bulletins that we mail to you and post on the home page of our website. If you ever have any questions for which you cannot find answers on our website, please do not hesitate to contact our Customer Service staff at 315-461-3008.

Regards,

A handwritten signature in blue ink, appearing to read 'Jeff Coyne', is written over a light blue horizontal line.

Jeff Coyne
Director of Sales and Support Services
Laboratory Alliance of CNY, LLC
