### **Laboratory Alliance VP Elected to Hospice Foundation**

Anne Marie Mullin, vice president of business development and marketing for Laboratory Alliance, was recently elected secretary of the board of the Hospice Foundation of Hospice of Central New York.

Her Hospice responsibilities include assisting the foundation in reaching its fundraising goals through donor development and interaction with board members and committees. In addition, she will assist with Hospice fundraising events including the September Song gala and the Syracuse Auto Dealers Association Charity Preview.

Ms. Mullin is also president of the board of directors of the Mental Health Association of Onondaga County and is an active committee member for Francis House, Hospice of CNY, MedTech and other area not-for-profits. She resides in Baldwinsville, N.Y.

Hospice of Central New York, with headquarters at 990 Seventh North Street, Liverpool, has provided end-of-life care for residents of Onondaga, western Madison and southern Oswego County since the early 1970's. Staff and volunteers deliver Hospice programs of medical care, psychosocial support and bereavement counseling. In 2007-08, 1,140 individuals and families were recipients of this specialized care.

Laboratory Alliance is jointly owned by St. Joseph's Hospital Health Center, Crouse Hospital and Community General Hospital. The company serves the three hospitals and non-*hospital* clients including long term care facilities and physician offices in central and upstate New York. It also serves as a reference laboratory for regional hospitals. The main laboratory is located in Electronics Business Park in Liverpool, N.Y. Laboratory Alliance employs over 430 people and performed more than eight million tests in 2007.
