Laboratory Alliance of Central New York has announced that Vice President of Finance/Chief Financial Officer Karen Carter has been elected treasurer for the local chapter of the Healthcare Financial Management Association (HFMA) effective June 1. She will manage fiscal matters for the organization during the one-year appointment.

HFMA is the nation's leading membership association for 35,000 healthcare financial management executives and leaders. The Central New York chapter serves about 200 members between Rochester and Buffalo and from Binghamton to Massena.

At Laboratory Alliance, Carter heads the Finance Department, which includes accounting, payroll, accounts payable and materials management. She joined the company in February 2005. Prior to joining Laboratory Alliance, she was the chief financial officer at A.L. Lee Memorial Hospital in Fulton, N.Y. for five years and an audit manager at Ernst & Young LLP in Syracuse. She has a B.S. in accounting from Clarkson University.
